Jason Fox

Content worker with 10+ years and ~50 million tokens of experience

jsnfx.com/servicenow · jasongfox@gmail.com · LinkedIn

I get excited by content systems, am obsessed with information architecture, and I'm as comfortable in a terminal as I am in a text editor.

EXPERIENCE

Atlassian

Lead Content Designer, AI Content Systems · Mar 2024 – Present

- Supporting teams with AI content systems that reduce time-on-task
- Running content governance and evaluation frameworks that safeguard quality and measure AI performance impact
